

Partnership Development Programme

Are you in the first two years of partnership or planning on being a partner in the next 6 months?
If so, we can help...

The Partnership Development Programme for Herefordshire and Worcestershire will be launching its inaugural cohort on 21st July 2020. The programme will consist of 6 virtual sessions, each 2 hours long. Delegates will be expected to attend the majority of sessions, complete a pre and post programme evaluation and brief evaluation each session.

Topics will include...

Benefits of Partnership | Leadership & Coaching Skills | Recruitment and HR basics | Practice Finance | Estates | Interacting with Wider Network Around General Practice

Interested?

To register your interest to participate in this programme, please complete the Expression of Interest form [HERE](#) by **5pm** on **26th June 2020**. Places are limited.
